Neighborhood Street Fund (NSF) program

- Background
- Funding
- Who can apply
- How to apply for the next cycle

Bailey Gatzert Elementary application

- 2016 cycle
- Project sponsors
- Construction
- Bailey Gatzert Elementary coordination
- Stakeholder outreach to impacted businesses and residents

Project elements

- Installation of a concrete bulb and ADA accessible curb ramps at the intersection of S Washington St and 14th Ave S
- Better identification of the Bailey Gatzert Elementary school zone with a new school sign
- Installation of a speed limit beacon along 12th Ave S between Boren Ave and Yesler Way

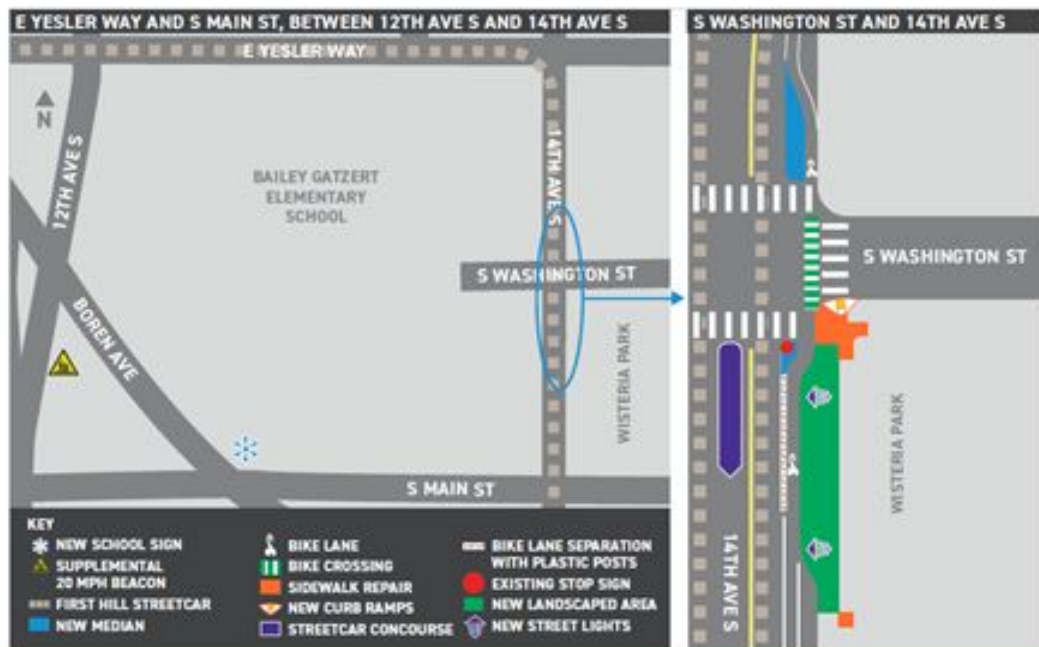

Project benefits

- Improved pedestrian safety and ADA accessibility
- Increased pedestrian and bicyclist visibility
- Shortened crossing distances at intersections
- Improved awareness of school and school zone speeds

Tips for improving your NSF application

- Clearly and succinctly identify your point(s) of interest
- Frame the need for your application
- Present a general concept for your proposal
- Provide visual aids
- Understand budget limitations
- Tell your friends!

Programs you can apply for

- Your Voice, Your Choice
- Neighborhood Matching Fund
- Safe Routes to School
- Office of Arts and Culture
- Next NSF application cycle – late 2020/early 2021
